KEY TO TYPES OF EXERCISE CLASSES

 Body Combat	A fiercely energetic cardiovascular workout designed to work your heart and lungs. This class will burn calories whilst improving your co-ordination, agility and core strength and stability.
 Body Jam	The cardio work-out where you are free to enjoy the sensation of dance. An addictive fusion of the latest dance moves and hottest new sounds puts the emphasis as much on having fun as breaking a sweat. This session will give you a whole body work-out.
 Body Pump	The ultimate endurance weight training workout, designed to burn body fat and work every major muscle group. This is a resistance class using barbells suitable for both males and females.
Aerobics	Get your heart and lungs working in this choreographed class using aerobic and dance moves. High or low impact? You choose from the options given making this session suitable for all levels and abilities.
Triple Taster	Not sure which class is for you? Then try this session which gives you a mix of aerobics, step and toning exercises. Ideal for beginners to sample each style.
Step	Trim and tone your lower body with this traditional class. A choreographed routine on a step platform. Great for increasing your fitness and promoting weight loss.
Young at Heart	A fitness class aimed at the more mature. This session aims to gently lift your heart rate working both your heart and lungs. No previous experience necessary.
Indoor Cycling	A team cycling experience. An extremely motivating yet easy to follow class, which effectively burns fat. Appropriate for all levels of fitness from complete beginner to experience cyclists.
Stability Ball	A unique class to develop core strength. Using the stability ball exercises are performed to strengthen and shape your torso, this will improve your posture and increase general well-being.
Legs, Bums & Tums	Sculpt, tone and tighten those problem areas with exercises to increase muscular strength, endurance and tone. Suitable for all ages and abilities.

Circuit Training	A great session to work your whole body. Your heart will be pumping with the energising and highly effective workout. Suitable for all levels of fitness, both males and females.
Urban Street	Urban street combines various styles of street dance making a fun class that will improve your confidence, fitness and basic dance coordination. Classes are on a course basis and require booking in advance. Suitable for 8-16 year olds.
Yoga	This session will help clear your mind and create a positive sense of body awareness. Yoga will lengthen and strengthen your muscles, creating fluidity and ease of movement. Your flexibility, posture, balance, circulation and sense of well-being will improve with regular attendance.
 Body Balance	A dynamic yoga based stretch programme designed to leave you feeling relaxed and renewed. It helps bring the body, mind and soul into a state of balance and harmony.
Pilates	Focusing on building your body's core strength to improve your posture. You will develop your core muscles through a series of low repetition low impact stretching and conditioning exercises. Your stomach, arm and thighs will become more toned and your flexibility and agility increased.
Walking the Way to Health	Walking in a group is a great way to start walking and get motivated. You'll make friends and discover new places to walk in your neighbourhood. Anyone can take part - it's free and fun.
Aqua Tone	The ultimate low impact, total body workout. A refreshing form of exercise only water can provide. Ideal for any age and excellent if you are new to exercise.
Aqua Natal	A gentle workout in the water for expectant mothers, suitable for all stages of pregnancy. This class is also suitable for post pregnant women.
